Jack Minchenko recently acted as real estate agent for the sale of our house located in Hawthorne. We are very pleased with the way Jack led us through the campaign of Marketing and Sale. He was very knowledgeable about the area, market conditions and prospects, and helped us through the sometimes difficult process of evaluating offers, making counter offers etc. Once the sale was signed off, Jack continued to work on our behalf by negotiating the sale of additional accessories with the property.

All this was done in a completely professional way, with excellent communication, upfront honesty and an accessible, friendly and easy going manner. The team at his office also contributed to the smooth running of the campaign and reacted quickly to changes in order to meet deadlines for advertising and open house sessions.

We will certainly be seeking out Jack's help when we enter the market again, and would recommend his services to anyone wanting a committed professional with his heart in Real Estate sales.

Dear Jack

Thank you for your help in buying my first home. You've been great, and it was all made very easy.

Kindest regards

Agatha Garavola

We would like to pass on our thanks to you for your efforts in selling our home in what have been no doubt challenging market conditions. We would also like to acknowledge your professional approach to marketing our home and the business like fashion you adopt in dealings with ourselves and potential purchasers.

Throughout the marketing period, and during the post-contract time once the place sold, we appreciated your regular updating on progress and honesty in advice and feedback, without this feedback we could not have presented the house as well as we did to prospective purchasers.

It is also worth noting your good advice in relation to the initial pricing of the property, and achieving the eventual selling price in a relatively short time, which exceeded our expectations.

We are happy to recommend you to both prospective purchasers and other vendors again thank you for your efforts.

Regards

Steve and Debbie Spalding
